ABOUT K.L. INSTITUTE:

From 1970, the institute started to carve out the path of development by adopting scientific approach under the guidance of Royal National Institute for the Deaf, U.K. the Bhavnagar Municipality gave a lease hold plot of land in Vidyanagar area. Smt. Indira Gandhi then Prime Minister of India, laid the foundation stone in 1970, as a result, this institute is enjoying its reputation as one of the premier training institutes for the deaf in the world, registered under Bombay Public Charity Act and also under Society Registration Act, is a non-profit NGO. The Institute receives grants from the department of Social Defence, Government of Gujarat and Ministry of Social Justice, Government of India and all donations made to this institute are exempt from Income Tax u/s 80G of the I.T. act 1961. The school for Special Education for Deaf run by the institute is duly recognized by the Ministry of Social Defence and Empowerment, Govt. of India, and the Govt. of Gujarat under Grant-in-aid Scheme.

ABOUT GRIID:

Govt. Rehabilitation Institute for Intellectual Disabilities (GRIID), Chandigarh, India, is a premier institute fostering the needs of more than 450 children with intellectual and developmental disabilities through comprehensive clinical and medical care besides special education, vocational training, and skills development. GRIID, as it is known today, has struggled a lot before reaching its glorious status. The final and permanent ownership came in December 1998 when the Department of Psychiatry, Govt Medical College and Hospital (GMCH), Chandigarh, took over to run it more scientifically. It was the most crucial turning point in the history of this institute which transformed from a small school to a larger institute of national repute. GRIID runs D.Ed., B.Ed., and M.Ed. Special Education (Intellectual Disability) to develop trained human resources in the field of intellectual disability. D.Ed is affiliated to NIEPMD, Chennai, while B. Ed. and M. Ed. are of Panjab University, Chandigarh. These courses are recognized by RCI.

CONCEPT NOTE:

Since the beginning of the year, the COVID-19 pandemic brought about school closure in almost all countries in the world and negatively affected the education of more than 360 million children. The rapidity and scale of the educational disruption is unparalleled and threatens the progress achieved in access and learning; millions of children are likely to suffer a loss or regression in learning. These COVID related education challenges and barriers of children with disabilities demands the international discussion. In this regards the needs to be conduct a international webinar on “**Contemporary Challenges in the education of CwDs: A pandemic analysis**” for healthy discussion and conclude the results.
